

## 12 SECURITY & SAFETY MIRRORS

### Internal / external safety & security mirrors

Virtually maintenance free, our shatterproof acrylic and polycarbonate convex mirrors help you see around corners, so that you can stop the crash, deter the shoplifter or prevent the accident before it happens.

#### Convex mirrors

Our competitively priced range of convex mirrors are suitable for indoor or outdoor use and are supplied as standard with a wall mounting 'J' arm bracket or universal adjustment knuckle joint fitting.

Optional accessories include

- post fixing bracket
- extension arms
- secondary fixing point

	internal use	point
600mm diameter (24")	<b>SM IHF600</b>	wall
900mm diameter (36")	<b>SM IHF900</b>	wall

#### FEATURES

- Quality manufacture
- Bright reflection
- Distortion free
- Tough acrylic face
- Galvanised steel fixings

**Under vehicle security inspection mirrors**

Even on a bright day it can be dark beneath a vehicle, behind bulkheads, in lofts, etc. which is why all of our inspection mirrors either incorporate or accommodate illumination facilities.

**Personal security inspection mirror**

**SM CMT** folding personal under vehicle inspection mirror with integral torch  
size(mm) folded 155 x 90 x 20  
open 460, weight 260gm

**Mix n match arms & mirrors**

**SM UCM** rigid short arm with torch, length 470mm weight 835gm

**SM FSM/T** rigid long arm with torch, length 900mm weight 955gm

**SM FSM** rigid long arm without torch, length 900mm weight 450gm

**SM CEM** telescopic arm without torch, length open 1400 mm closed 350mm weight 526 gm

**SM CEM/ILL** telescopic arm with torch, length open 1400 mm closed 350mm weight 1050 gm )

**SM SML/X** rubber edged convex glass mirror, 64mm

**SM SML** convex glass mirror, 64mm

**SM SMC/X** rubber edged convex glass mirror, 140mm

**SM SMC** convex glass mirror, 140mm

**SM SMS** standard glass mirror, 38mm

**SM SMR** standard glass mirror, 64 x 114mm

**SM SM5/SS** acrylic mirror, 140mm

CMT personal protection inspection mirror, folding, pocket size illuminated model

Rummage mirror with torch illuminator from mix-n-match range

## SECURITY & SAFETY MIRRORS

### Trolley systems

330 x 265mm convex acrylic mirror, 2 x 6 watt fluorescent lamps in splash proof acrylic housing, 950mm folding aluminium handle.

'D' cell version offers up to 8 hours continuous operation from 10 x D cells housed in handle. Rechargeable version 10 x NiCad rechargeable cells housed in handle. Externally powered unit, supplied with 8 metre power cable fitted with crocodile clips for operation from a suitable 12v DC, 1A external supply.

- SM VMBD/2** illuminated trolley mirror (req's 10 x D cells)
- SM VMBD/3** illuminated trolley mirror (10 x D NiCads)
- SM VM/8** illuminated trolley mirror (externally powered)
- SM VMM/2** replacement mirror (trolley mirror)
- SM VML/2** replacement light source (trolley mirror)

### Lightweight systems

ABS convex mirror (152 x 213mm), 1m aluminium shaft, 2m flying lead, hand grip and arm cradle. 12v 8AH rechargeable lead/acid battery in belt fixing (4.8kg), 12v DC regulated charger (please specify 110v or 230v input requirement).

- SM VSM/K2** lightweight under vehicle mirror system
- SM EXZ** replacement lamp (12v / 55w) lightweight inspection mirror system
- SM VSM/M** replacement mirror, lightweight inspection mirror system

VMBD/2 trolley mirror with integral light (batteries housed in handle or externally powered).

VSM/K2 robust ABS mirror (built in illuminator) with rechargeable battery / belt pack.
